TRANSLATIONS AND REDRAWING

If you like any of our series and would like to help translate from Japanese to English, or Redrawing, then please contact us! As things currently stand, we won't be able to continue a few of our current projects due to our lack of translators. We aren't asking for you exclusively, we only ask that you provide translations/redraws for your project(s) on a schedule. We're in desperate need of both translators and redrawers, so please consider applying as soon as!
